Re: Marriott of Springfield  
1500 Main Street  
Springfield, MA 01115

Dear Mr. Fuller,

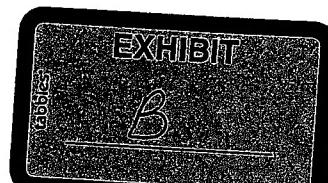

Access 4 All, Inc. has requested that an investigative report on ADA violations for the above-referenced property be sent to you. Obvious areas of non-compliance exist. We observed and noted the following:

### **Parking**

1. The disabled use spaces do not have clear and level access aisles provided, violating Sections 4.1.2 and 4.6.3 of the ADAAG.
2. The signs designating the disabled use spaces are not posted at sufficient heights, in violation of Section 4.6.4 of the ADAAG.
3. The accessible parking spaces are improperly dispersed and marked as per US Code 23, Section 109D (striped in white and prominently outlined in blue), and in violation of Section 4.6.2 of the ADAAG.

### **Entrance Access and Path of Travel**

1. There are ramps at the facility that do not have level landings and/or contain excessive slopes, side slopes or cross slopes in violation of Sections 4.8.2, 4.8.4 and 4.8.6 of the ADAAG.
2. There are rises at the thresholds of entrances at the facility in excess of  $\frac{3}{4}$  of an inch, violating Sections 4.5.2 and 4.13.8 of the ADAAG.

### Access to Goods and Services

1. There are counters throughout the facility in excess of 36", in violation of Section 7.2(1) of the ADAAG.
2. There are self-service areas with dispensers whose controls are outside of the reach ranges prescribed in Section 4.2 of the ADAAG.

### Accessible Guest Rooms

1. The rooms designated for disabled use do not provide a 36-inch clear floor space on both sides of the bed in violation of Section 9 of the ADAAG.
2. There are an insufficient amount of compliant disabled guest rooms available violating several sections of the ADAAG.
3. There are areas for storage provided without the clear floor space prescribed in Sections 4.2 and 9 of the ADAAG.
4. The rooms designated for disabled use do not provide a roll-in shower for use by the disabled, violating Section 9 of the ADAAG.
5. The grab-bars in the restroom provided in the room designated for disabled use do not comply with the requirements prescribed in Sections 4.17.6 and 4.26 of the ADAAG.
6. The fixtures in the disabled use room have controls that are not easily operated with a closed fist in violation of the ADAAG.
7. The disabled rooms are not dispersed among the various classes of sleeping accommodations in violation of Section 9.1.4 of the ADAAG.

### Indoor Pool

1. There is no water access for a wheelchair user in violation of Section 9.1.1 of the ADAAG
2. The gate to gain entry to the pool area is not operable with a closed fist in violation of Section 4.13.9 of the ADAAG

A more detailed follow up report should be performed in the presence of the property owner or manager. There may be other violations of the Americans with Disabilities Act that may be revealed in said inspection.
